## Keyboard

The programmable keyboard can be customized with PLU keys for open price or preset entries and function keys for discounts, payments and corrections.

- Models with the 150 key position flat keyboard support 100 or more PLU locations.
- Raised keyboard models feature 21 standard PLU locations, expandable to 63 or more PLU locations.

## Thermal Printer

Keep pace with fast, quiet, thermal printing. Drop-in loading simplifies paper changing and virtually eliminates paper jamming.

## Electronic Journal

Merchants selecting the ER-920 or ER-925 without a traditional journal printer can save or print an electronic sales journal. Electronic journal is available on all models, allowing you to quickly search and investigate transaction-level information.

## Convenience and Accuracy

Save time with simplified procedures that ensure accuracy at check-out time. Standard features include:

- Cancel Sale Function
- Keylock Controlled Transaction Void
- Complete Receipt on Request
- Check Cashing
- Post Tendering
